

Dance Guest Permission Form

This form must be completed and received by MUHS by Tuesday, September, 27.

For Students and Parents,

The 2022 MUHS Homecoming will be held on Saturday, October 1, 2022. Doors Open at 7:00pm. There will be no one admitted after 7:30pm without permission from the Dean of Students. Doors re-open at 9:30 p.m. with the dance ending at 10:00 p.m. **We encourage you to know your son or daughter's plans that evening.** Additional information and copies of this form are available on our website at www.muhs.edu. **Tickets, payment, and all forms must be received at MUHS by Tuesday, September 27, 2022.**

General information: We would ask your support in working to make the dance an enjoyable and memorable event for all involved. To ensure a safe and trouble-free evening students are expected to act in accordance with all Marquette expectations. No dance guests over 18 years of age will be permitted to attend. Guests must be at least current freshmen in high school.

Breathalyzer: In keeping with our goals, the school, its faculty and administration reserve the right to use a breathalyzer with any student suspected of using alcohol. Additionally, Marquette administration will conduct random breathalyzer testing with both boys and girls at the dance Saturday night. This will be performed in line with the procedures established in the Alcohol, Tobacco, and Controlled Substances policy found in the MUHS *Student/Parent Handbook*. The policy reads, "...testing may occur at social events such as dances or athletic contests. On these occasions, testing could occur randomly and without suspicion. The inherent risks increase under these circumstances and MUHS considers these events important AODA safety concerns."

Dancing: Dancing that involves close physical contact of a sexual nature is inappropriate for a Catholic school dance, and will not be tolerated. We ask for and expect student and parental support on this issue. The following expectation will be followed by all dance attendees:

- follow the expectations set forth and promoted through the dance.
- follow the directions of the chaperones while participating at this dance.
- dance appropriately and do not dance in a way that is suggestive of indecent behavior.

We ask for and expect your support on this issue by your actions at MUHS dances. You have a multitude of other acceptable dance styles that you can enjoy. If a student is found in violation of this expectation, s/he is expected to cooperate fully with chaperones and may be required to leave the dance.

Dress code: Students must dress in a manner that demonstrates understanding that this event is a Catholic, high school dance and not a social occasion outside of Marquette University High School. Modesty is our expectation. This is a semi-formal dance. Students in grades 9 through 11 must dress in semi-formal attire. Only 12th graders are permitted to dress in theme. No hats, sunglasses or any other garment that hides a student's face or eyes may be worn. The administration's decisions regarding attire are final. Additionally, for safety reasons shoes are to be worn at all times.

We hope that this letter clarifies the position of MUHS. Students must understand that should a violation occur, parents may be called and students may be asked to leave the dance. If a violation of the law occurs, then police intervention may

be necessary. Should you have questions about the information in this letter or the policy outlined above, please do not hesitate to call the school at (414) 933-7220. We appreciate your continued support.

Sincerely,
Casey Kowalewski
Dean of Students
