

Jesuit Honor Society
New Members for 2021-2022

The Jesuit Honor Society held the Father John O'Brien Commissioning Service for new members for 2021-2022 on April 27. The JHS members are committed to service and serve as tutors in the Academic Success Center. Please join the Marquette High community in congratulating these students and their families as they pledge to represent the qualities of the Graduate at Graduation during their final years in high school. These new members join returning members who were inducted in August 2020.
