

Long-Term Substitute - Science

Marquette University High School – Milwaukee, Wis.

Job Category: Faculty, FT or PT

Job Duration Dates: January 25 – April 16, 2021

Application Closing Date: Until filled

Description:

Marquette University High School is currently looking for a long-term sub, full-time or part-time Science teacher for the Science Department.

In recent documents the Society of Jesus has stressed that Jesuit schools “should be outstanding not so much for number or size as for teaching, for the quality of instruction, and the service rendered to the people of God.” Marquette University High School seeks teachers qualified in their field who are open to growth, religious, loving, intellectually competent, and committed to social justice.

Teacher expectations include:

- teaching physics and/or chemistry
- co-curricular involvement possible
- prefecting duties

The ideal candidate will:

- demonstrate commitment to the principles of Jesuit education
- possess a Wisconsin Educator License or be working toward licensure
- hold a bachelor’s degree
- have high school teaching experience

Marquette University High School offers a competitive compensation package.

How to apply: If you are interested, please send a letter of interest, résumé and contact list of references to:
