SUMMER EXPLORE!

JUNE 19 – AUGUST 11, 2017

Summer Programs for Boys
Entering Grades 5 - 9

AM
DG

MULTI-DISCIPLINE PROGRAM

AAA Program – Academics, Arts & Athletics

For boys entering grades 6, 7, 8

The AAA Program stands for the three components of the program: Academics, Arts and Athletics. Each of these components will be incorporated into daily activities to build relationships, practice skills, and prepare students for a Marquette High environment. The AAA Program captures a central priority of a Marquette High education: forming the whole person. In an active, fun, engaging learning environment, students will gain a small glimpse of life at Marquette High.

In the classroom, students will encounter lessons in mathematics, science, history, and creative writing, each taught by MUHS faculty. Fun and challenging lessons will prepare students for the active learning environment at MUHS. In artistic fields, students will try their hand at robotics, drawing or other art ventures. In athletics, students will participate in team sports such as soccer, flag football, kickball or ultimate Frisbee. Current students will assist MUHS faculty throughout the program.

June 26 – 30 (Monday – Friday)

9 a.m. – Noon

Fee: \$150

Instructors: Mr. Erik Anderson and Mr. Phil Koski – Theology

Minimum enrollment – 20; Maximum enrollment – 30

New: AAAA Program – Academics, Arts, Athletics & Admissions

For boys entering grade 9 (Class of 2021)

In addition to the AAA programming as outlined, Class of 2021 students will arrive early each morning for a light breakfast and social time with future classmates (8:15 a.m. – 9 a.m.). Students will meet various staff, faculty and current students to help them navigate what life will be like as a Hilltopper when they start the school year.

June 26 – 30 (Monday – Friday)

8:15 a.m. – Noon

Fee: \$175

Instructors: Mr. Erik Anderson and Mr. Phil Koski – Theology

Minimum enrollment – 10; Maximum enrollment – 20

Marquette University High School is an all-boys Catholic school in the Jesuit tradition. Our commitment is to educating the whole person – the spiritual, emotional, intellectual, artistic, moral and physical. The Summer EXPLORE! programs will be conducted with this commitment in mind.

COMPUTER SCIENCE

Hour of Code – Introduction to Computer Science

For boys entering grades 5, 6, 7, 8, 9

Students will explore computer programming through a variety of game activities. Topics such as loops and conditional (if-then) statements will be explored. Students will also be equipped to continue their learning independently after the workshop is completed. This course is for students who have not previously taken Hour of Code.

June 24 (Saturday)

9 a.m. – 10:30 a.m.

Fee: \$20

Instructor: Mr. Chris Reis – Math and Computer Science

Minimum enrollment – 10; Maximum enrollment – 20

3-D Design and Animation

For boys entering grades 6, 7, 8, 9

From Toy Story and Despicable Me to product design and architecture, 3-D design and animation has transformed the way we work and dream. This course will give students the tools they need to join this creative force. Students will explore Blender 3-D, a free 3-D design and animation program. Topics will include modeling (making the shape), textures and materials (covering the shape), lighting, animation (moving the object) and publishing (making the movie available to others). At the end of the course, students will know enough to continue their education on their own.

July 24 – 27 (Monday – Thursday)

12:30 p.m. – 3:30 p.m.

Fee: \$125

Instructor: Mr. Joe Cavanaugh – Instructional Technology Specialist

Minimum enrollment – 8; Maximum enrollment – 25

Intro to Google Apps: What Every Student Should Know

For boys entering grades 5, 6, 7, 8, 9

No experience necessary! Set up folders and organize files in a Google drive account. Learn how to make creative word documents and use Google's research tools. Develop and animate a slideshow using Google presentation. Investigate and use spreadsheets and Google survey forms including how to design and insert charts and graphs from your data. Learn how to use Google apps to share ideas and collaborate with classmates and friends. After a brief demonstration and a look at best samples of each type of file, you will work at your own pace using video tutorial lessons and teacher coaching to learn some basics. Then you can proceed to experiment and design your own projects. Students will work on MUHS provided desktop computers. (Optionally, students may bring their own laptops, but no hardware or software is required for this course.)

July 17 – 20 (Monday – Thursday)

12:30 p.m. – 3:30 p.m.

Fee: \$125

Instructor: Ms. Carol Hardtke – Math and Computer Science

Minimum enrollment – 8; Maximum enrollment – 24

SCIENCE

Learning with Legos: Simple Machines

For boys entering grades 5, 6

Design and build powered Lego creations to compete with other students. Models will be built using the Lego Education Simple Machine Kits and will explain the engineering concepts of torque, motion, energy and measurement. Tasks will be assigned to students and models must be built to meet the requirements of each competition. Students will work in pairs to foster collaboration and communication. As a bonus, students will be able to keep one of their Lego creations to bring home and share with his family. Two sessions of the same class are being offered.

July 10 – 13 (Monday – Thursday)

9 a.m. – Noon

Fee: \$150

Instructor: Mr. Paul Fleisch – Science

Minimum enrollment – 12; Maximum enrollment – 24

July 10 – 13 (Monday – Thursday)

12:30 p.m. – 3:30 p.m.

Fee: \$150

Instructor: Mr. Paul Fleisch – Science

Minimum enrollment – 12; Maximum enrollment – 24

Do You Heart Science?

For boys entering grades 6, 7, 8, 9

If you love science and are interested in getting a hands-on view of the heart, this new class is for you. Students will investigate the human circulatory system through manipulation and development of models. By conducting a dissection on a sheep heart, students will identify structures important to circulation within the heart. Using their understanding of the circulatory system, students will design an experiment investigating factors that could impact heart performance.

July 31 – August 3 (Monday – Thursday)

8:30 a.m. – Noon

Fee: \$150

Instructor: Mr. Russell Craze – Science

Minimum enrollment – 12; Maximum enrollment – 24

HISTORY

Hidden History of Milwaukee

For boys entering grades 5, 6, 7, 8

Come join two MUHS History teachers as they explore the forgotten history of our hometown. Class time each day will be spent visiting some of the sites that were most crucial in shaping the Milwaukee we know today. Discussions will focus on the impact of geography, technology and economics in how our city developed. If you're the kind of student that looks around and says, "I wonder what it was like here a hundred years ago," this class is for you!

June 21 – 22 (Wednesday – Thursday)

8:30 a.m. - Noon

Fee: \$100

Instructors: Mr. Chris Lese and Mr. Jon Parsons – Social Studies

Minimum enrollment – 6; Maximum enrollment – 12

Civil War Institute

For boys entering grades 5, 6, 7, 8, 9

Answer the call for Civil War and military history enthusiasts! Participants will immerse themselves into the daily lives of soldiers with a reenactor presentation with full gear, drilling in depth discussions of the war's important battles. This will be a highly interactive experience. Students will spend one day at MUHS, the Milwaukee War Memorial Center and a special tour of the Kenosha Civil War Museum's current exhibit.

June 26 – 28 (Monday – Wednesday)

June 26 9 a.m. – Noon at MUHS

June 27 9 a.m. – Noon at Milwaukee War Memorial Center

June 28 9 a.m. – 1:30 p.m. at Kenosha Civil War Museum

Fee: \$125

Instructor: Mr. Chris Lese – Social Studies

Minimum enrollment – 4; Maximum enrollment – 30

War Stories: The Tales of Living War Heroes

For boys entering grades 5, 6, 7, 8, 9

Take part in a rare opportunity to discuss war experiences with veterans from World War II, Vietnam and Afghanistan. Participants will spend one half day in an interactive MUHS classroom to learn about these wars and battles and develop questions when they meet the veterans. The second full day will be spent at the Milwaukee War Memorial Center listening and talking with these living heroes.

June 19 – 20 (Monday – Tuesday)

June 19 9 a.m. – Noon

June 20 9:30 a.m. – 3 p.m.

Fee: \$100

Instructor: Mr. Chris Lese – Social Studies

Minimum enrollment – 5; Maximum enrollment – 30

WORLD LANGUAGE

Deutschplatz – German Language Summer Camp

For boys entering grades 5, 6, 7, 8, 9

Join the Marquette High German department in a fast-paced, activity-based immersion style program where campers will learn how to communicate auf Deutsch! Campers are placed in small "Familien" and are guided by upperclassmen of Marquette High's German program over four exciting days of Aktivitäten und Spiele meant to introduce campers to learning German in natural daily settings. No prior German knowledge is necessary. For four days let the German language and culture be your Fokus!

Students will need to bring their own lunch/snack/beverage each day.

July 18 – 21 (Tuesday – Friday)

9 a.m. – 2 p.m.

Fee: \$180

Instructor: Mr. Ryan Grusenski – German

Minimum enrollment – 10; Maximum enrollment – 30

VISUAL ARTS

Movie Making

For boys entering grades 6, 7, 8, 9

This class will immerse students in the process of creative video production. The class will introduce students to the full filmmaking process from initial collaboration on creating an idea, to filming, acting, and directing, and through editing and final presentation. Parents will be invited to the final class for the students' very own Film Festival showcasing the creative work of the student groups. Equipment will be provided for use during the class.

July 10 – 14 (Monday – Friday)

9 a.m. – Noon

Fee: \$200

Instructors: Mr. Joseph Sliker – Digital Communication Specialist and Mr. Joseph Wilinski

Minimum enrollment – 12; Maximum enrollment – 18

Walking/Drawing Class – Traditional and Digital Drawing Methods

For boys entering grades 7, 8, 9

This studio art class teaches foundational drawing methods with classroom demonstrations, on-location outdoor drawing sessions as well as an introduction to digital drawing using Adobe creative software. The week begins with classroom instruction followed by walking/drawing sessions to on and off campus locations. The course culminates with an exhibition of student work and small celebration in the MUHS art department gallery space. The outdoor drawing sessions will take place rain or shine. All required drawing materials are included in the course fee.

July 10 – 14 (Monday – Friday)

9 a.m. – 11:30 a.m.

Fee: \$100

Instructor: Mr. Peter Beck – Fine Arts

Minimum enrollment – 5; Maximum enrollment – 15

MUSIC

Playin' the Blues

For boys entering grades 6, 7, 8 (with prior experience playing saxophone, trumpet or trombone)

Introductory level workshop introducing young musicians to the 12-Bar Blues. Students will learn to improvise while playing in a jazz combo. Available for the following instruments: saxophone, trumpet, trombone. Instruments need to be provided by the student. Prerequisite: minimum of one year of performance experience (band, lessons, etc.).

July 17 – 21 (Monday – Friday)

1 p.m. – 3 p.m.

Fee: \$100

Instructor: Mr. Randy Skowronski – Instrumental Music Instructor

Minimum enrollment – 6; Maximum enrollment – 24

Drum Set and Hand Percussion Camp

For boys entering grades 8, 9, 10, 11, 12

This camp is intended to develop both drum set and percussion skills for those student musicians who have previous experience as either a percussionist or a drummer. Topics will range from the drumming styles of Samba, Bossa Nova, Latin-Rock, African marimba, Afro-Cuban hand percussion, as well as tuning and care of the drum set. Drums and percussion instrument will be provided.

July 17 – 21 (Monday – Friday)

9 a.m. – Noon

Fee: \$150

Instructors: Mr. Dave Bayles (Drum Set, Percussion), faculty member at WI Conservatory of Music, UWM, and UW-P; Ms. Bony Plog-Benavides (World Percussion), WI Conservatory of Music faculty member; Mr. Randy Skowronski, Instrumental Music Instructor

Minimum enrollment – 8; Maximum enrollment – 16

FORENSICS

Forensics Boot Camp – Coed Program

For boys and girls entering grades 6, 7, 8

This camp is for beginners as well as students who have competed on their middle school team. Whether you're focused on preparing for the 2017-18 season or just wishing to build self-confidence and poise, this camp will help you achieve your goals in a noncompetitive, supportive environment. Campers will have an opportunity to try all eighteen categories in the Mid-Level Forensics Association of Wisconsin to find the best fit for them. Other areas of focus will include voice and breath control, peer coaching and teamwork. This year's camp will be led by the MUHS forensics coaching staff, assisted by members of the award-winning Marquette University High School team.

July 17 – 28 (Monday – Friday)

12:30 p.m. – 3:30 p.m.

Fee: \$200

Instructor: Ms. Amy Geyser, Director of Forensics

Minimum enrollment – 8; Maximum enrollment – 20

Advanced Forensics Day Camp – Coed Program

For boys and girls entering grade 9, or 7th / 8th graders who attended a previous forensics camp

Suitable for seasoned competitors or beginners entering high school, this camp is designed to prepare you for the 2017-18 forensics season. In a fun, supportive atmosphere, campers will build on their strengths to refine their communication skills and learn the art of effective delivery. Other areas of focus will include voice and breath control, peer coaching and teamwork. This year's camp will be led by the MUHS forensics coaching staff, assisted by members of the award-winning Marquette University High School team. Students will receive intensive personalized coaching as well as team-oriented training.

July 31 – August 11 (Monday – Friday)

12:30 p.m. – 3:30 p.m.

Fee: \$200

Instructor: Ms. Amy Geyser, Director of Forensics

Minimum enrollment – 6; Maximum enrollment – 15

SPORT CAMPS

Brochures and online registration for sport camps are available at: www.muhs.edu/athletics/sport-camps

4 p.m. – 6 p.m. Fee: \$105

HOW TO REGISTER:

- Register online with a credit card payment using VISA or Mastercard: www.muhs.edu/explore.
- Download a mail-in registration form at www.muhs.edu/explore. Mail (or drop off) the registration form with check (payable to MUHS) to: Marquette University High School, Attn: Summer EXPLORE!, 3401 W. Wisconsin Ave., Milwaukee, WI 53208
- Program registration is limited and is based on a policy of first-come, first-served paid registrations.
- Register students for grade level they will enter in fall 2017.
- Complete one registration form per student.
- Program spots cannot be reserved for those not paid in full.

Program Cancellation/Refund Policy:

Marquette High reserves the right to close programs with maximum enrollment and to cancel programs that do not meet the minimum enrollment 10 days prior to the program starting date. In the event a program is cancelled by the school, participants will receive a full refund.

Families who voluntarily withdraw from the program 10 days or more before the program start date will receive a full refund. Refunds will not be given for cancellations that are less than 10 days prior to the program start date.

There is no pro-rated adjustment of the program fees based on the number of days attended.

First Day Procedures:

Summer EXPLORE! programs will be held at Marquette University High School unless indicated otherwise. Enter at the Henke Center Entrance at 3306 W. Michigan. Students will check in before reporting to the location of their program. If you plan to come in with your son, please park in any of the available parking spaces.
